Unisto Twinstar (Ecograde PP)

Pull-tight Security Seal with a unique steel locking mechanism. Made with the sustainable material Ecograde. Unisto Twinstar is the ideal solution for sealing any kind of bags and Roll Cages in industries such as Post / Courier Services, Pharmaceutical, Cash in Transit and Transports. The special design of the strap and the housing gives a tamper-resistant fit. Ribbon includes tamper-evident “snake” lines (7.2 x 2.2 mm strap size). Tear-off facility allows easy removal. Barcoded numbering for fast, accurate reliable data capture and streamlining operations. Various plastic colours available.
